

Invitation to all day seminar

# Modelling and quantifying mortality and longevity risk

**2026-03-24**

**Prof.dr.ir. Michel H. Vellekoop**

Professor of Actuarial Science &  
Mathematical Finance | Amsterdam  
School of Economics | University of  
Amsterdam |

## Details

**Where:** J. Basanavičiaus g. 10B

**Price:** 200 Eur

**CPD:** 4,5 hours

**Registration:**

<https://forms.cloud.microsoft/e/79YEuPadAs>

**Questions?** [registracija\(at\)aktuarai.lt](mailto:registracija@aktuarai.lt)

## Agenda

From	To	Topic
09:00	09:45	Mortality data and modelling concepts
09:45	10:30	Single population models
10:30	11:00	Coffee break
11:00	11:45	Multi population models: calibration
11:45	12:30	Multi population models: projection
12:30	14:00	Lunch break
14:00	14:45	Projection during pandemic
14:45	15:15	Tea break
15:15	16:00	Heterogeneity in populations
